Manufactured Buildings Program

Application for Certification as a Manufacturer

(Initial Application)

780 CMR R3 - The Rules and Regulations for Manufactured Buildings, Building Components and Manufactured Homes requires manufacturers of buildings, building components and homes to be certified (as approved) in order to ship product into the Commonwealth of Massachusetts. This application shall be completed annually to renew said certification. Please complete this application fully. If you have any questions regarding the application process, please call 508-422-1955.
